ARTICLE 1 INTERPRETATION

1.1 Defined Terms

As used in this Plan of Arrangement, the capitalized terms have the meanings set forth in the attached **Schedule "A" Definitions**.

1.2 Certain Rules of Interpretation

For the purposes of this Plan:

- (a) any reference in the Plan to an Order, agreement, contract, instrument, release, exhibit or other document means such Order, agreement, contract, instrument, release, exhibit or other document as it may have been or may be validly amended, modified or supplemented;
- (b) the division of the Plan into "articles" and "sections" and the insertion of a table of contents are for convenience of reference only and do not affect the construction or interpretation of the Plan, nor are the descriptive headings of "articles" and "sections" intended as complete or accurate descriptions of the content thereof;
- (c) unless the context otherwise requires, words importing the singular shall include the plural and *vice versa*, and words importing any gender shall include all genders;
- (d) the words "includes" and "including" and similar terms of inclusion shall not, unless expressly modified by the words "only" or "solely", be construed as terms of limitation, but rather shall mean "includes but is not limited to" and "including but not limited to", so that references to included matters shall be regarded as illustrative without being either characterizing or exhaustive;
- (e) unless otherwise specified, all references to time herein and in any document issued pursuant hereto mean local time in Montréal, Québec and any reference to an event occurring on a Business Day shall mean prior to 5:00 p.m. (Montréal time) on such Business Day;
- (f) unless otherwise specified, time periods within or following which any payment is to be made or act is to be done shall be calculated by excluding the day on which the period commences and including the day on which the period ends and by extending the period to the next

succeeding Business Day if the last day of the period is not a Business Day;

- (g) unless otherwise provided, any reference to a statute or other enactment of Parliament or a legislature includes all regulations made thereunder, all amendments to or re-enactments of such statute or regulations in force from time to time, and, if applicable, any statute or regulation that supplements or supersedes such statute or regulation; and
- (h) references to a specified "article" or "section" shall, unless something in the subject matter or context is inconsistent therewith, be construed as references to that specified article or section of the Plan, whereas the terms "the Plan", "hereof", "herein", "hereto", "hereunder" and similar expressions shall be deemed to refer generally to the Plan and not to any particular "article", "section" or other portion of the Plan and include any documents supplemental hereto.

1.3 Currency

Any Claims denominated in a foreign currency shall be converted to Canadian dollars at the Bank of Canada noon exchange rate on the CCAA Filing Date.

1.6 Schedules

The following Schedules to the Plan are incorporated by reference into the Plan and form part of the Plan:

The parties shall preserve the confidentiality of the settlements and terms agreed to therein.

**ARTICLE 2
PURPOSE AND EFFECT OF THE PLAN**

2.1 Purpose

The purpose of the Plan is:

- (a) to effect a full, final and irrevocable compromise, release, discharge, cancellation and bar of all Claims against the Released Parties;
- (b) to effect the efficient distribution of the Funds for Distribution and payment of the Proven Claims as set forth in Sections 4.2 and 4.3;

The Plan is put forward in the expectation that all the Creditors, when considered as a whole, will derive a greater benefit from the implementation of the Plan than they would otherwise.

**ARTICLE 3
CLASSIFICATION, VOTING AND RELATED MATTERS**

3.1 Class of Creditors

The Creditors shall constitute a single class for the purposes of considering and voting on this Plan. The Creditors shall have, under this Plan, only one Claim against any of the Debtors and this Plan shall be deemed to effect a substantive consolidation of Claims of the Creditors.

3.2 Voting Rights for Creditors

Subject to this Plan and the Claims and Meeting Order, each Creditor shall be entitled to vote on this Plan. For voting purposes, each Creditor's Claim shall be valued at an amount that is equal to the Proven Claim for the amount of the Creditor's Ordinary Claim, the whole subject to the Claims and Meeting Order.

3.3 No Duplicate Claims

A Creditor who has a Claim against more than one of the Debtors or the Released Parties or has filed or is deemed to have filed claims in both the Bankruptcy and the CCAA Proceedings, in respect of the same debt or obligation, shall only be entitled to assert one Claim in respect of such debt or obligation, and any duplicate Claim filed by such Creditor will be disallowed for voting and distribution purposes under this Plan so that only a single Claim remains under which said Creditors can exercise distribution rights.

3.4 Claims Procedure

Creditors shall prove their respective claims, vote in respect of this Plan, and receive the distributions provided for under and pursuant to this Plan in accordance with the Claims and Meeting Order and this Plan. Any Person having a Claim that is not a Proven Claim is bound by such Orders, including that of being precluded from receiving a distribution under this Plan, and is forever barred and estopped from asserting such Claim against

the Released Parties.

3.4.1 Class Action Claims

The Claims and Meeting Order shall provide, as a matter of equity between all members of the Class, that the Claim of each Class Member shall be equal to the Net Capital.

Pursuant to the Claims and Meeting Order, any Class Member shall have the opportunity to:

- i) Accept, by filing with the Monitor his/her Class Action Claim, the Net Capital notified to the Class Member based on information and direction provided by Class Counsel to the Monitor, as a Proven Claim; or
- ii) Claim as a Class Action Claim a greater Net Capital amount than the amount notified by the Monitor by providing supporting documentation with the Proof of Claim, which, if such amount is superior to the Net Capital as notified by the Monitor, will minimally include the Promissory Note, the proof of payment from the Class Member and a statement of account.

The Monitor shall transmit to Class Counsel the said Proof of Claim and supporting documentation and Class Counsel shall review the Class Member's Proof of Claim and may request thereafter the Monitor to send a Notice of Revision.

The Notice of Revision may be contested by the Class Member by filing a Claim Appeal Motion as provided in the Claims and Meeting Order.

3.4.2 Excluded Class Action Claims

The following Claims shall not be accepted by the Monitor as Class Action Claims:

- (a) Claims of corporations with more than 50 persons bound to it by contract of employment and under its direction or control at all times between November 6, 2007 and November 6, 2008;
- (b) Claims of corporations that are dissolved or stricken from corporate registry records;
- (c) Claims of Creditors who have already recovered from any Person their investment, or part thereof, through a favourable judgment;
- (d) Claims of Creditors who have recovered from any Person their investment, or part thereof, through a settlement agreement or transaction with respect to their loss;
- (e) Claims of any Creditor who has not claimed its investment within three years of its maturity date if such maturity date occurred before the date of the initial bankruptcy event of the issuer of the Promissory Note;
- (f) Claims of any Person who does not hold a Promissory Note issued by Corporation Mount Real, Gestion MRACS Ltd., Real Vest Investments

Ltd. and Corporation Real Assurance Acceptation. For further clarity, without limitation, Claims for promissory notes issued by Stearling Leaf, Capital Corporation of Minnesota and Balanced Return Fund shall not be accepted as Class Action Claims;

(g) Claims of Persons that participated in, benefited from or had knowledge of the fraud with respect to the Debtors, as such fraud is more fully detailed in the Class Action, as well as legal entities for which these persons acted as administrator, officer or had de facto control over the operations

(h) Are presumed to have participated in, benefited from or had knowledge of the fraud, the following individuals and legal entities and any Person controlled by them:

1-Lino P. Matteo;

2-Paul D'Andrea ;

3-Joseph Pettinicchio;

4-Laurence Henry;

5-Andris Spura;

26-The family members of both the individuals named above and their collaborators;

27-Any Person, including any representative or securities dealer having been prosecuted, found guilty or having pled guilty in connection with the MRC fraud as described in the Class Action, notably to violations of the *Securities Act*, as well as their family members;

3.4.3 Notices of Rejection of Class Action Claims

All Creditors filing Proofs of Claim corresponding to the above paragraph 3.4.2 shall receive a Notice of Rejection from the Monitor.

The Monitor will transmit to Class Counsel a list of Creditors who haven't been excluded in conformity with the present section before any notices are sent out to such Creditors.

If Class Counsel is privy to any information which supports the fact that a Creditor should receive a Notice of Rejection, Class Counsel will advise the Monitor of this ground of exclusion. The Monitor will thereafter send a Notice of Rejection to all such Creditors.

Subject to the terms of the Claims and Meeting Order, a Creditor may contest a Notice of Rejection by filing a Claim Appeal Motion.

3.5 Unaffected Claims

Notwithstanding anything to the contrary herein, this Plan does not compromise, release, discharge, cancel, bar or otherwise affect:

- (a) the rights or claims of the Monitor, Applicants' Counsel and Class Counsel under the applicable agreements for payment of their respective fees and disbursements and applicable taxes incurred or to be incurred for services rendered in connection with or relating to the CCAA Proceedings or the Class Action, including the implementation of this Plan.
- (b) claims or causes of action of any Person, including the Debtors and the Released Parties (subject to the limitations contained in the Plan Support Agreement), against third parties other than any of the Released Parties (subject to paragraph 3.5(e)).

- (c) The Debtors' obligations under the Plan, the Plan Support Agreement, and the Approval Orders;
- (d) Claims against the Debtors;
- (e) any liability or obligation of, and claim against, the Individual Defendants of whatever nature for or in connection with the Class Action;
- (f) any claim for fraud or criminal and quasi-criminal charges filed or that may be filed and, for greater certainty, for any fine or penalty arising from any such charges;
- (g) claims that fall under Sub-section 5.1(2) of the CCAA;
- (h) the tax consequences, if any, arising from the implementation of the Plan.

All of the foregoing rights and claims set out in this Section 3.5 are collectively referred to as the “**Unaffected Claims**” and any one of them is an “**Unaffected Claim**”.

3.6 Treatment of Creditors

The Creditors shall receive the treatment provided for in this Plan on account of their Claims and, on the Plan Implementation Date, the Claims will be compromised, released and otherwise extinguished against the Released Parties in accordance with the terms of this Plan.

Ordinary Creditors who are not Class Members shall be entitled to receive a distribution only from the Bankruptcy Consideration based upon the amount of their Ordinary Claim upon such becoming a Proven Claim.

Class Members shall be entitled to receive distributions from both:

- 1- the Bankruptcy Consideration, based upon the amount of their Ordinary Claim upon such becoming a Proven Claim; and,
- 2- the Settlement Consideration, based upon the amount which has become a Proven Claim for the Net Capital or, if applicable, the amount in the Revision Notice or the decision of the CCAA Court on the Claim Appeal Motion.

For greater certainty, the amount of the Proof of Claim of a Class Member in the Ordinary Claim category for the purposes of the vote on the Plan and the distribution of the Bankruptcy Consideration shall be the higher of:

- i) the amount of the Proof of Claim filed with the Monitor as a Class Action Claim upon such becoming a Proven Claim;
- ii) the amount of the proof of claim previously filed with the Trustee in the Bankruptcy, which is deemed filed with the Monitor, subject to such amount becoming a Proven Claim as an Ordinary Claim; or

- iii) the amount of the Proof of Claim filed with the Monitor by a Class Member as an Ordinary Claim, subject to such amount becoming a Proven Claim as an Ordinary Claim.

3.7 No interests on Claims

Interest shall not accrue or be paid on any Claim.

ARTICLE 4 CONTRIBUTIONS AND DISTRIBUTIONS

4.1 Contributions by Settling Defendants and Trustee to the Funds for Distribution

Each of the Settling Defendants shall deliver, or cause to be delivered, to the Monitor the amount of the respective Settling Defendants' Consideration pursuant to the Confidentiality Agreement and the Pension Agreement, and the Trustee shall deliver, or cause to be delivered, to the Monitor the Bankruptcy Consideration (after deduction and payment of the Trustee's fees and disbursements and applicable taxes thereon, as approved under the provisions of the BIA), each within such delay as has been agreed to pursuant to the Plan Support Agreement and, except in the case of the Liquidator, in any event within no more than 5 Business Days after the Monitor has given written notice certifying that: i) the Approval Orders have become Final Orders, accompanied by certificates of non-appeal; and ii) the Monitor has obtained written validation from the taxation authorities as agreed with the taxation authorities and provided each Settling Defendant with a copy of same, and such monies shall be held by the Monitor in trust in one or more Canadian dollars interest bearing accounts in a bank listed in Schedule A of the *Bank Act* and distributed by the Monitor in accordance with the terms of this Plan. Should this Plan be terminated for any reason in accordance with Section 6.3 or 7.3, such monies shall be returned by the Monitor, with any interest earned thereon, forthwith to the respective parties having contributed such monies. For greater certainty, any payments to the Funds for Distribution received by the Monitor that are not in Canadian Dollars shall be converted by the Monitor in Canadian Dollars on or around the receipt date of same and, where applicable, shall be returned by the Monitor in Canadian Dollars.

The payment of any portion of the Settlement Consideration consisting of immediately available funds shall be made by wire transfer of immediately available funds, pursuant to written instructions provided by the Monitor or by certified cheque or bank draft.

Should a Settling Defendant fail to pay the amounts payable under this Section on the due date, such party shall no longer be considered a Settling Defendant and shall not benefit from any release or Injunction with respect to the Claims. This Plan shall continue to apply with respect to the remaining Settling Defendants. Any Party wishing to do so may file an application with the CCAA Court to obtain orders enforcing the Plan and Plan Support Agreements and enjoining the defaulting Settling Defendant to pay the amounts due under this Section in accordance with their prior covenant to do so.

4.2 Distribution to Creditors

The following Creditors having Proven Claims shall be entitled to distribution under this Plan as follows:

- (a) Ordinary Creditors and holders of Class Action Claims shall, in the aggregate, receive their pro-rata share of the Bankruptcy Consideration in full and final satisfaction of their Proven Claims as against the Released Parties.
- (b) Holders of Class Action Claims shall, in the aggregate, receive in addition to the amount in (a) above, their pro-rata share of the Settling Defendants' Consideration, net of the Class Counsel Fees, in full and final satisfaction of their Proven Claims as against the Released Parties.
- (c) Class Counsel shall receive, in the respective proportions indicated in writing by Class Counsel to the Monitor, a total amount of fees equal to twenty per cent (20%) of the Settling Defendants' Consideration received by the Monitor, plus the Class Counsel's disbursements relating to the Class Action and the CCAA Proceedings, plus applicable taxes thereon, as established in invoices addressed to the Class Plaintiff in a form acceptable to the Monitor, in full and final satisfaction of the payment of their fees, disbursements (including those disbursements paid for with the proceeds of the Bankruptcy Loan), judicial and extra-judicial costs and applicable taxes. Class Counsel shall be deemed to direct the Monitor to deduct from the payment under this sub-paragraph an amount equal to the outstanding amount on the Bankruptcy Loan to reimburse the Trustee in full and the Trustee shall be deemed to have paid such amount to the Monitor as part of the Bankruptcy Consideration in (a) above, on the date such payments are to be made under this Plan. The Class Counsel Fees shall be paid from the Settling Defendants' Consideration, and not in addition thereto.

For greater certainty, Creditors having Claims other than Proven Claims shall not be entitled to distribution under this Plan in relation to the Funds for Distribution and shall have no right to any portion of the Funds for Distribution.

4.3 Timing of Distributions to Creditors

The Monitor shall hold the Funds for Distribution in trust pending distribution thereof in accordance with the terms of this Plan. Within 45 calendar days following the Plan Implementation Date, the Monitor shall make distributions to or on behalf of Creditors (including, without limitation, to Class Counsel) in accordance with the terms of this Plan.

4.4 Delivery of Distributions to Creditors

Distributions to Creditors shall be made in accordance with the terms of this Plan, as applicable, by the Monitor: (A) at the addresses set forth in the Proofs of Claim filed by such Creditors in accordance with the Claims Procedure; (B) if applicable, at the addresses set forth in any written notices of address change delivered to the Monitor after the date on which any corresponding proof of claim was filed, provided such notice is received by the Monitor at least five (5) Business Days prior to the Plan Implementation Date; or (C) if applicable, and to the extent differing from the foregoing, at the address of such Creditors' respective legal representatives, in trust for such Creditors, subject to the receipt by the Monitor at least five (5) business days prior to the Plan Implementation Date of a written instruction to that effect from said Creditors

4.5 Allocation of Distributions

All distributions made to Creditors in respect of Proven Claims pursuant to this Plan shall be applied in payment of the outstanding principal amount of the Proven Claim. In the event that the principal amount of all Proven Claims has been paid in full, each Creditor shall, at the request of the Monitor, be responsible for providing a representation and warranty with respect to its residency for purposes of the *Income Tax Act* (Canada). If any Creditor fails to provide satisfactory evidence that it is a resident of Canada for purposes of the *Income Tax Act* (Canada), then the Monitor shall have the right to:

- (a) assume and otherwise consider such Creditor to be a non-resident of Canada for the purposes of the *Income Tax Act* (Canada); and
- (b) withhold any non-resident withholding tax that would be imposed under the *Income Tax Act* (Canada) based on such assumption from any amounts payable to such Creditor under this Plan,

until such time as such Creditor provides satisfactory evidence to the contrary to the Monitor, unless the non-resident withholding tax has already been remitted to the Canada Revenue Agency. For greater certainty, the distributions to be made pursuant to this Plan to Creditors having Proven Claims do not include, and are not intended to include, any amounts on account of interest on such Claims.

4.6 Transfer of Claims; Record Date for Distributions

Claims may be sold, transferred or assigned at any time by the holder thereof, whether prior or subsequent to the Plan Implementation Date, provided that:

- (a) Neither the Debtors nor the Monitor shall be obligated to deal with or to recognize the purchaser, transferee or assignee of the Claim as the Creditor in respect thereof unless and until written notice of the sale, transfer or assignment is provided to the Monitor, such notice to be in form and substance satisfactory to the Monitor, acting reasonably within five (5) Business Days prior to the Plan Implementation Date
- (b) only holders of record of Proven Claims as at the date of the Claims and Meeting Order shall be entitled to attend, vote or otherwise participate at such meeting of Creditors; provided, however, that: (A) for the purposes

of determining whether this Plan has been approved by a majority in number of the Creditors only the vote of the transferor or the transferee, whichever holds the highest dollar value of such Claims will be counted, and, if such value shall be equal, only the vote of the transferee will be counted; and (B) if a Claim has been transferred to more than one transferee, for purposes of determining whether this Plan has been approved by a majority in number of the Creditors, only the vote of the transferee with the highest value of such Claim will be counted; and

- (c) only holders of record of Claims as at five (5) Business Days prior to the Plan Implementation Date shall have the right to participate in the corresponding distribution provided for under Section 4.2 of this Plan.

4.7 Tax Matters

4.7.1 No representations regarding the tax qualifications/eligibility issues

Neither the Monitor, nor the Applicant's Counsel, nor the Class Counsel, nor the Settling Defendants have made or will make any representation regarding the tax qualification of the Settling Defendants' Consideration or any payments or transfers made under this Plan to a Class Member (...) and in particular whether said Consideration qualifies as eligible for deposit and/or transfer to a registered retirement savings plan or (...) a registered retirement income fund of which the Class Member is the annuitant. Any and all payments or transfers by the Monitor to a (...) Class Member (...) or a registered retirement savings plan or registered retirement income fund of which the Class Member is the annuitant will be made at the sole direction of the Class Members. The Monitor, Applicant's Counsel, Class Counsel and the Released Parties shall have no responsibility whatsoever for any tax planning or tax consequences in respect of the payments made to a Class Member (...) or a registered retirement savings plan or registered retirement income fund of which the Class Member is the annuitant. (...)

4.7.2 Amounts not invested in RRSPs or (...) RRIFs

If a Class Member confirms to the Monitor's satisfaction, in his/her Class Action Claim, that all of the amount, or a portion of the amount, of available Funds for Distribution for such Class Member is not derived from an amount invested in the Debtor Companies through the Class Member's registered retirement savings plan or registered retirement income fund (...), as defined in the Income Tax Act, but relates to an amount invested in the Debtor Companies by the Class Member personally, then, with respect to such amount, the payment under this Plan will be made directly to the Class Member without any tax withholding on the Distribution Date, except with regard to the non-resident Class Members where tax withholdings are required.

4.7.3 Amounts invested in RRSPs or (...) RRIFs
