Subject: Notice to Investors

On July 5, 2018, on motion filed by the *Autorité des marchés financiers*¹ to the Superior Court of Quebec, Raymond Chabot Administrateur Provisoire inc. was appointed as Receiver to certain assets of Dominic Lacroix. Among others, the Court granted the Receiver all of the required powers to enable it to seize the bitcoins owned or controlled by Dominic Lacroix.

From the time of our appointment, our primary concern was to take the necessary means to seize the bitcoins and then implement the appropriate conservatory measures.

It was in this context that the Receiver petitioned the *Tribunal administratif des marchés financiers* on two occasions to give full effect to the appointment order and thus obtain a partial lifting of the freeze orders on Dominic Lacroix's assets.

At the conclusion of the July 6, 2018 hearing, approximately 420.6 bitcoins were transferred to the Receiver. The Receiver has also been able to recover about 4.3 additional bitcoins in a third party's possession.

The Receiver intends to complete this assignment with due diligence. Subpoenas were sent to Dominic Lacroix and his spouse to enquire about the transaction history for all cryptocurrency and other assets that could potentially be recovered by the Receiver. Lastly, the sale of the bitcoins seized from Dominic Lacroix should begin in the near future, the whole in accordance with the appointment order.

Investors may contact representatives of the Receiver at 514-879-1385 or on the website at www.raymondchabot.com.

¹ The *Autorité des marchés financiers* is the regulatory organization for the Quebec financial sector.
